comcast
Business Class

Get Comcast Business Class Starter Internet for \$49.95 per month. Offer expires May 1, 2009, is only available in wired and serviceable areas in participating Comcast systems (and may not be transferred) and is limited to new Business Class customers. Not available to current or former Comcast customers with unpaid balances. Offer limited to Business Class Voice and requires subscription to Comcast Business Class Internet 6.0 Mbps. Offer limited to standard installation. Custom installation charges may apply. Minimum one-year contract required to receive Free installation. Early termination fee applies. After 12 months, Comcast's regular monthly service charge of \$59.95 applies for High Speed Internet service. Service subject to Comcast Business Class Service Order Agreement and General Terms and Conditions. Prices shown do not include equipment and installation charges, taxes, the Regulatory Recovery Fee, or other applicable charges. May not be combined with other offers. Certain customer premises equipment may not be compatible with services. Internet: Many factors affect speed. Actual speeds vary and are not guaranteed. Cable modem required. Savings claim based upon comparisons between promotional regular rates for high speed Internet service and standard installation. Call 970.230.0469 for restrictions and complete details. ©2009 Comcast.
