Our members find the annual Chamber membership dues a small price to pay for the benefits they receive:

"Since participating in the Business Leads/Networking Group, I've realized a **10% growth in my business** and paid for my Chamber dues at least five times over."

RONA FISCHER, Carbondale Insurance Service, Inc.

"Several clients have found us through our on-line listing on the Chamber website. Our membership has really paid off!"

GAYLE EMBREY, Pyramid Peaks Center

"We use the free weekly emails and distribute flyers in the monthly newsletter to advertise sales and special events. I attribute our increased sales to being able to reach 600 Chamber members.

This has definitely paid for our dues many times over."

KAREN WOOLDRIDGE, Mountain Soles
